

Gruntavore 1800

This Grunt wants to do your heavy lifting

Whether you use your UTV for work or play, the massive Gruntavore 1800 Air Lift solves your maintenance challenges. The Gruntavore 1800 features a massive working surface measuring 104" in length and 60" in width, making it ideal for most models of UTVs, ATVs, garden tractors, and lawn care equipment.

Built tough with heavy duty 11-gauge steel, the Gruntavore has a lifting capacity of 1800 lbs. A powder-coat finish adds durability to the Gruntavore, proudly made in the USA.
