

Deluxe Tear-Down Table

Comfort and efficiency — the Deluxe Tear-Down Table provides it all.

Get the job done with the Tear-Down Table from Handy. This heavy duty steel workbench is great for the home or business. The 14-gauge top has a 3/4" rim to contain liquids and capture leaking fluids when working on hydraulic systems and transmissions. Fluids drain into the removable polyethylene drawer for easy dispensing. With an adjustable working height of 37" to 41", the Tear-Down table works where you need it.

The convenient adjustable lower shelf organizes your tool storage. The drawer features a cylinder key locking system with full-extension ball bearing sliders to keep your valuables safe. The Tear-Down Table is built tough and painted with your choice of red or orange powder-coat finish that resists rust, chips, and scratches. As with all Handy products, the Tear-Down Table is proudly made in the USA.

Deluxe Tear-Down Table (red) Item 11505R
Deluxe Tear-Down Table (orange) Item 11505O
