

S.A.M. 2 1000 Air Lift

When more just isn't enough and a little extra is still needed, you need to meet the S.A.M. 2 from Handy!

The 1,000 lb. capacity on this table is ready to tackle whatever you throw at it — from motorcycles and ATVs to snowmobiles, lawn tractors, and more!

The S.A.M. 2 was developed for bike professionals who need a longer (93") and wider (28") total work surface, with the convenience of drop panels for easy maintenance. The 40" flush-mount ramp makes loading and unloading a breeze.

The optional 10" side extensions for the S.A.M. 2 come off in quarters, so you can easily work around any application.

When you need something extra from your lift, the S.A.M. 2 is ready to work!
